*Supplier stock reported October 19, 2026; confirm availability when ordering.
USD retail prices exclude applicable tax and shipping.

Holder dimensions - S0182-0000 only

A	B	X - height	Y - length	Z - width	Weight
1.76 in	0.21 in	1.10 in	2.56 in	0.75 in	0.08 lb

A and B refer to mounting dimensions shown above. All dimensions nominal (+/-3%).

The holder keeps a compatible spring clip open when attaching a line to a mooring. Kit SKUs include the clip and holder; S0182-0000 is the holder alone. Holder dimensions do not describe overall kit dimensions. Confirm fit before ordering.

Dimensions and weights: Suncor product page and manufacturer specification.
